EXECUTIVE SUMMARY

Founded in 2017, Stone Counseling & Consulting Services is a mental health counseling and consulting private practice owned by Rebecca (Becky) Stone. Becky is a person-centered, genuine, dynamic professional with exceptional knowledge and experience working to meet the needs of diverse populations in complex environments. She is a detail-oriented and collaborative leader who optimizes processes, resources, and partnerships to meet objectives. She is experienced in the development, facilitation, and evaluation of workshops, trainings, and initiatives, and has facilitated over 350 hours of programs. Becky offers more than 12 years of experience in providing mental health therapy, six years of providing supervision to pre-licensed counselors, and over 12 years in the grade school and higher education fields. Becky looks forward to *helping you achieve your goals*.
